

Mississippi Partnership / LLP/ LLC Computation of Net Income Schedule 2001

A partnership **must attach a copy of its Federal return** and use Federal ordinary income as a beginning point for computing its net taxable income for Mississippi tax purposes. However, adjustments for additions to and deductions from Federal ordinary income are required because of the differences in Federal and Mississippi laws. Part A of this form must always be completed if there are any resident partners. Before completing this form, the following partnerships should complete the forms indicated: Multistate Partnership - Form 83-125; Partnerships using Direct Accounting Method - Form 83-124, Page 1; and Multistate Construction Contractors - Form 83-124, Page 2.
